Release Description

DP-6 Records / DR100

Then came the day when we celebrate the one hundredth edition release of the DP-6 Records. It contains the most interesting and vibrant compositions that were released on our label over the past few years. The collection turned out pretty versatile, it covers the entire spectrum of the DP-6 Records sound, and we hope it will satisfy our audiences.))

"My congratulations! Nice tribal/acid sound in "Overdrive", but this time it's only a nostalgia :) As for me and my deep/prog interests: 'Revolution' - smart theme and positive electric voices; "Monolith" & "Sound" - pretty deep/chill music; "The Thrown Flower" - atmospheric and dub vibes; "The End" - one of my fav progressive breaks tunes... And ofcours nice too meet a good friends with a powerfull tracks such as "Deep Sea" in Dirigible 5 Remix :) Thank you for a HUGE pack!"
