Alexander Miguel - Slovo

Release Description

Good news for those who love deep and atmospheric progressive sound. Alexander Miguel is returning to the DP-6 Records with a new release 'Slovo'. After his two successful spring albums Miguel presents the updated deep sound, leaving it all the best that has been accumulated over the years of work - its own unique mood, groove, melody and emotion. This music came like to us and we hope it will not leave listeners of our label indifferent.
