## **DP-6 Records / DR110**

Ev Darko continues to surprise and delight us with his music. Constantly working on tracks and remixes, Eugene had already amassed a decent luggage of releases on such labels as Deepsessions Digital, BQ Recordings, Monologue Records, Arrant Records, NewBorn Records, Disclosure Project Records and Gaudi Records. Now, in a break between albums, Ev Darko represents another portion of the intellectual deep house in Future Wind EP which contains three tracks. These works certainly will resonate with those who liked the previous Eugene's releases - In Bloom and the Angel Voices. Enjoy!
