## **DP-6 Records / DR111**

DP-6 Records presents a fresh batch of musical mood.

Hero of the new release Melancholia became an artist from Moldova - Andrey Djackonda, which has had time to light up earlier on the DP-6 Records with a remix on Ev Darko's track Lunar Dawn.

On Andrew's account a cooperation with such labels as Get High Music, Dlimpsoundrecordings, National Techno, NewBorn Records and In Deep Records.

In the new release he was able to create a good atmosphere and, despite its name, this music is saturated not only with melancholy, but still with a great dance and modern product. Enjoy!
