### **DP-6 Records / DR117**

With over 10 years of hard work and over 100 of own releases DP-6 project does not stop there. And now you can hear the new Reborn-release where DP-6 project continues to experiment with the sound finding fresh mixes of melody and atmosphere, bit and depth. DP-6 project's music is located at the intersection of deep house, techno and electro and in spite of this it develops into a complex mosaic of styles with the common mood. Today this release has received it's "start in life," and we hope that these tracks will also please you. Enjoy!
