DP-6 Records / DR120

DP-6 Records presents Nightvision - invariably emotional, a little melancholy, and as usual, very deep - fresh release of the DP-6 project.

The title track Rainy Day is done with the best traditions of the dub DP-6 sound, wich was tested on the dancefloor for many times, two other works - Addicted and Dinner On The Terrace continue the idea of the Revisions release wich is known for its atmosphere and unhurried broken bit.

And of course - the sea, the sea, the sea ... ;)

Enjoy!
